

### **Church Plants**

- We started 5 churches since October 1, 2017

We have had 1 church join or align with CNBC. It is Calvary Baptist Church in St John's NL. This is our one work in NL and they have a big vision to plant many churches on the island. They are aligned with CNBC as they historically have been Convention Baptists. The plants will be CNBC church plants.

### **Other Statistics**

### **Developments:**

- Dan Morgan, the New Churches team leader, continues to act as southern Alberta catalyst until a new person is found. We are currently vetting two potential candidates for this.
- Effective October 1, Andrew Lamme will become the church planting team leader CNBC/DOM for all of Canada. Dan Morgan remains with CNBC/NAMB assisting Andrew in this transition year while still teaching at the Seminary.
- We are currently vetting for a full-time catalyst for Toronto to replace Andrew in his transition
- NAMB has rolled out a new program to develop church planters and church plant team members from within CNBC churches. It is called Pipeline and the provincial numbers are listed above. Dan Morgan will work with the churches and oversee this nationally.
